

We have arranged to resume Group Golf Lessons for DCSGC Members with Pete again starting on Thursday May 14th

Sign ups will be via TeeTimeHelper (TTH), and we'll start with 3 Lesson times (10 to 11, 11:10 to 12:10 and 12:20 to 1:20). TTH sign ups will open the Sunday at 7 PM prior to the following Thursday Lesson times (starting Sunday 5/10/26).

This is an opportunity for a professional to offer instruction, tips and advice to help us stop topping fairway woods, sculling chip shots, pulling putts and the many other "interesting" ways we hit a golf ball. It's not an attempt to build a new swing, just improve the one you have! The Lessons will be held at the back practice range at Diablo Creek, which has primo putting, sand trap, chipping areas and mats for range work. The Lessons are about an hour long, and ideally with a max of 4 students/hour. Rates are \$30 each for four, and \$40 each for 3 or fewer. (Please bring cash.)

The Teaching Pro is Pete Asselin who has been at Diablo Creek for years, and is very highly regarded. You're welcome to sign up just once or every week; it's up to you! Perhaps chipping the first week, bunkers the next, fairway woods... whatever you'd like help with.

Please don't hesitate to contact Mike Toth with any questions. Thanks! Mike 925-667-1317

P.S. Pete can be contacted directly at 707-297-5875. He is still working, so best is to text him and he will return your call.
